Specific Procurement Notice N° ICS/MCA-M/ES-61/Compact

Selection of an Individual Consultant in charge of the Technical assistance to the client for monitoring and supervising the development and experimentation of the operations and maintenance system for schools and school equipment (O&M)

On November 30, 2015, the Government of the Kingdom of Morocco concluded a second cooperation program (Compact II) with the United States Government, represented by the Millennium Challenge Corporation (MCC), with the objective to improve the quality of human capital and land productivity.

The budget allocated by MCC to Compact II, which came into effect on June 30, 2017, amounts to 450 million dollars, to which is added a contribution of the Moroccan Government of a value equivalent to at least 15% of the American contribution. The global budget is financing, over a period of five years, two projects, namely "Education and Training for Employability" and "Land Productivity", the implementation of which has been entrusted to the Millennium Challenge Account - Morocco (Agence MCA-Morocco).

By way of this specific procurement notice, Agence MCA-Morocco requests proposals to procure the services of an **Individual Consultant in charge of the Technical assistance to the client for monitoring and supervising the development and experimentation of the operations and maintenance system for schools and school equipment (O&M)**.

The selected Consultant will be awarded a contract with duration of 21 months:
12 months for the base period and 9 months for the optional period.

A consultant will be selected in accordance with the Procurement Method for Individual Consultant Services (ICS). The evaluation procedure is set out in the Letter of Invitation in accordance with the "MCC Procurement Program Guidelines" available on the MCC website.
