The Millennium Challenge Account-Morocco has received financing from the Millennium Challenge Corporation toward the cost of the “Education and Training for Employability and Land Productivity projects”, and intends to apply part of the proceeds toward payments under the contract for the “Acquisition, Delivery, Installation and Commissioning of technical-educational equipment intended for Vocational Training Institutes benefiting from the financial support of the Charaka Fund / Projects”:

Lot 2: Operating room equipment estimated at 187 000 USD.

MCC’s funding is appropriated by the U.S. Congress and obligated to the compact up-front, with no incremental or partial funding. So, when a contract is signed with an MCA Entity, money is already
