The Millennium Challenge Account-Morocco has received financing from the Millennium Challenge Corporation toward the cost of the “Education and Training for Employability and Land Employability projects” and intends to apply part of the proceeds toward payments under the contract for the “**Realization and installation of marking signs for infrastructure projects**”.

MCC’s funding is appropriated by the U.S. Congress and obligated to the compact up-front, with no incremental or partial funding. So, when a contract is signed with an MCA Entity, money is already available to the MCA Entity and, for most contracts, invoices are paid directly to Suppliers by the US Treasury.

MCA-Morocco now invites bids from eligible bidders for the acquisition of technical educational equipment.

Bidding will be conducted through the Shopping procedures as specified in the MCC Program Procurement Guidelines (PPG) and is open to all eligible bidders as defined in the PPG.
